

2-MINUTE MICROWAVE FUDGE

1 (12 oz.) bag chocolate chips (2 cups)

1 Tsp. vanilla

1 ¼ cups chopped nuts (walnuts, peanuts, pecans) (Optional)

1 (14 oz) sweetened condensed milk (not evaporated milk)

In large glass measuring cup, combine chocolate chips and sweetened condensed milk. Microwave on high 3 minutes. Stir until morsels melt and mixture is smooth. Stir in Diamond walnuts and vanilla extract. Spread evenly into foil-lined 8-inch square pan. Chill until firm, about 2 hours. Makes about 1 ¼ pounds fudge.

Optional: Remove some of the condensed milk and add peanut butter chips.
 Spread this over the chocolate fudge in the pan to make layered fudge.
